Pastor Sebastian Meadows-Helmer

24 Orlon Crescent, Richmond Hill L4C 6S5, Ontario, (905) 881-9154

Dear Congregation,

Everything was created through him; nothing—not one thing!— came into being without him. What came into existence was Life, and the Life was Light to live by. (John 1:3-4, MSG)

The three words "I gave life" are now printed on red band-aids used by Canadian Blood Services for blood donors. I have been a regular blood donor since I met my wife (she had been previously a regular donor), and some of our first dates were at the blood clinic! I think it's a relatively simple procedure that can save lives, and it's a way I give back to the community.

I first thought about becoming a blood and organ donor when I saw the 1989 Denys Arcand movie "Jesus of Montreal". In its final scenes, the actor who had portrayed Jesus, having been fatally hit by a subway train, becomes an organ donor and gives life to a handful of people, making a blind woman see, giving a man a new heart etc.

As Christians, we believe that Jesus, though his life, death and resurrection, gave us all life. It's common as Christians to say: "He gave life", but in which circumstances, can we say "we gave life"? Many mothers might claim that this would apply to their giving birth, and people who have successfully performed CPR or the Heimlich maneuver might well claim that in an explicit way as well. How do you "give life" in your day-to-day relationships with loved ones and strangers?

Sincerely in Christ,
Pastor Sebastian Meadows-Helmer

Liebe Gemeinde,

Durch dieses **Wort** wurde alles geschaffen. Und nichts, das geschaffen ist, ist ohne dieses **Wort** entstanden. Er, das **Wort**, war zugleich das Leben in Person.

Und dieses Leben bedeutete das **Licht** für die Menschen. (Joh 1,3-4, Basis_Bibel)

Die drei Worte "Ich gab Leben" sind nun auf rote Wundpflaster des Canadian Blood Services für Blutspender gedruckt. Ich bin ein regelmäßiger Blutspender seit ich meine Frau getroffen habe (sie war zuvor eine regelmäßige Spenderin), und einige unserer ersten Rendezvous waren in der Blutklinik! Ich denke, es ist ein relativ einfaches Verfahren das Leben retten kann, und es ist eine Weise, wie ich der Gesellschaft nützlich bin.

Ich dachte zuerst daran, Blut- und Organspender zu werden, als ich den Denys Arcand Film von 1989 "Jesus von Montreal" einmal sah. In der Schlusszene wird der Schauspieler, der Jesus porträtiert hatte, von einer U-Bahn tödlich getroffen. Da wird er zum Organspender und gibt dabei Leben zu einigen Menschen: Eine blinde Frau kann nun sehen und ein Mann bekommt ein neues Herz, usw.

Als Christen glauben wir, dass Jesus uns allen das Leben gab, durch seinen Leben, Tod und Auferstehung. Es ist üblich, daß Christen behaupten: "Er gab Leben", aber unter welchen Umständen können wir sagen: "Wir gaben Leben"? Viele Mütter könnten behaupten, dass dies für ihre Entbindung gelten würde, und Leute, die erfolgreich CPR oder das Heimlich-Manöver erfolgreich durchführt haben, könnten das auch in einer expliziten Weise behaupten. Wie "geben Sie Leben" in Ihren täglichen Beziehungen mit Familie, Freunden und Fremden?

Herzlichst, im Dienst Christi,
Pastor Sebastian Meadows-Helmer

From the Pastor's Desk:

"Judging others makes us blind, whereas love is illuminating. By judging others we blind ourselves to our own evil and to the grace which others are just as entitled to as we are."

Dietrich Bonhoeffer, *The Cost of Discipleship*

God hath not promised skies always blue,
Flower-strewn pathways all our lives through;
God hath not promised sun without rain,
Joy without sorrow, peace without pain.

But God hath promised strength for the day,
Rest for the labor, light for the way,
Grace for the trials, help from above,
Unfailing sympathy, undying love.

The Moll Berczy Haus, Toronto's only German Senior's Residence (McNicoll and Victoria Park), has just completed a major renovation. It really looks great! Also, I think the level of personal attentive care is one of it's main selling points, and makes it very attractive given how impersonal some of the large-corporation-run institutions are set up. For more information, contact Gaby at 416-497-3639. Also, where else would you get regular German worship services in your home? www.mollberczyhaus.ca

**You've never sinned -

The young couple invited their aged pastor for Sunday dinner. While they were in the kitchen preparing the meal, the minister asked their son what they were having. "Goat," the little boy replied.

"Goat?" replied the startled man of the cloth, "Are you sure about that?"

"Yep," said the youngster. "I heard Pa say to Ma, 'Might as well have the old goat for dinner today as any other day.'"

A minister was opening his mail one morning. Drawing a single sheet of paper from an envelope, he found written on it only one word: "FOOL."

The next Sunday he announced, "I have known many people who have written letters and forgot to sign their names. But this week I received a letter from someone who signed his name and had forgotten to write a letter."

On Sunday June 25th, 3-5 p.m. at Thornhill United (25 Elgin Street), and again on Sunday, September 17th, 3-5 p.m. at St. Luke's Catholic (39 Green Lane Ave), the Thornhill Christian community is coming together for a **KAIROS Blanket exercise**.

"The Blanket Exercise is a teaching tool to share the historic and cotemporary relationship between Indigenous and non-Indigenous peoples in Canada. It

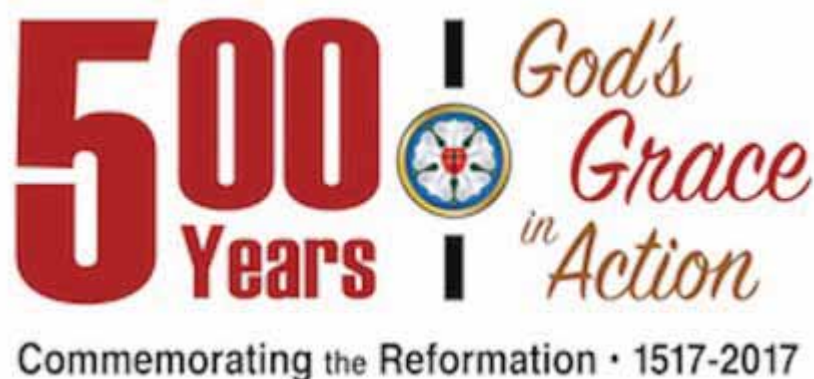

is an interactive experience about the history of our land. It covers over 500 years of history in a one and a half hour participatory workshop.

The exercise uses blankets to represent the lands of what is now called Canada and the distinct cultures and nations which live on those lands to this day. Participants represent the First Peoples; when they move onto blankets, they are taken back in time to the arrival of the Europeans. The exercise goes through the history of treaty-making, colonization and resistance that resulted in the nation we today call Canada. The Blanket exercise will get you walking in someone else's shoes, and will raise awareness and understanding of Aboriginal people in Canada."

Talk to the Pastor for more information. Admission is free, but bring a spirit of humility!

On Sunday, September 30th at 2 p.m., our Bishop Michael Pryse and Cardinal Thomas Collins invite all Lutheran and Catholic churches to a **joint Commemoration Service of 500 years of Reformation.**

This will take place at St. Ansgar's Lutheran Church, 1498 Avenue Road, Toronto. This is pretty historic, so come if you can!

The Thornhill Ministerial represented the Lenten Services from March 5 - April 2, 2017, which were well attended each week. Besides all the beautiful hymns, the dedication hymn, "In the Bulb there is a Flower", were sang at each service. The theme of 'Renewal in Mind', / In Heart, In Comittment, In the Church of Creation, all well preached. The offerings went to 'Out of the Cold', 'Evergreen Hospice' and 'Yellow Brick House'. The highlight of the services was at St. Luke's when the mass choir sang.

Trip of the Seniors Group in December 2016

It was a blustery day with the occasional white-out conditions, when a group of our seniors braved the elements, to venture by Mary Morton coach to Niagara Falls. On the way we visited Chateau des Charmes Winery where we learned about the family-run business and tasted a number of their special products.

Before dusk, we made our way to the Niagara Parks Floral Showcase and miniature village where we were awed by the spectacular varieties of Christmas plants, especially the poinsettias. Then off to the Skylon Tower restaurant to enjoy a delicious dinner while viewing the illuminated Falls.

Canada's foremost illumination festival, the Ontario Power Generation Winter Festival of Lights, turns Niagara Falls into a winter wonderland, capturing the magic of the holiday season with beautiful, illuminated displays along an 8 km route that travels along the Niagara Parkway and Dufferin Islands. Our coach driver proceeded slowly so that camera buffs could capture what could be described as a palette of breathtaking colour with millions of sparkling lights and animated displays, including the world's largest Canadian-American flag.

A contented group was grateful for the excellent bus driver as he manoeuvred the icy roads and slow traffic coming back into Toronto. We all said a little prayer of thanks for a beautiful experience when we arrived at 149 Bay Thorn Drive.

Springfest Dinner May 2017

A good time was had by all. Everybody enjoyed the Indian food this year from INDIA'S TASTE in Markham. Despite the change in the main course, we still stuck by our traditional apple strudel desert donated by the Boehringer family.

Thank you to René Samulewitsch– who once again did an outstanding job as MC and to our entertainment and volunteer team: the Petronella Dance group with their performance, Gunther Kunzelmann's *short story*, Tony's background music, Pastor Sebastian's beautiful violin pieces as well Diana's and Iris' help in the kitchen and beyond.

Our Raffle table was not only filled with gracious donations from LONGOS but also with great prizes donated by members of the congregation. With the help of donations, we were able to raise \$700. A true success!

The Fellowship team **thinks everyone** involved who contributed and made this an enjoyable and successful event!
